

G95

the next generation of mobile gunite mixers

"Our first truck paid for itself within its first year of operation. Reducing downtime and saving on cost of disposal easily justified the acquisition."
- Tom Baker,
Eastern Concrete

EASE OF USE

Designed to reduce operator error.

CONTROL

Take total command of your gunite mix.

SUPPORT

World-class training and technical support.

AUTOMATION

Reduce Labor Costs

Minimize Waste

Increase ROI

Harness the reliability of a ProAll Reimer Mixer on your gunite projects. With premium features like the new Drop-Away Auger Mat, the all-new ProAll G95 Gunite Mixer will help you take control of your gunite production.
